

# HAPPY LEARNING SCHOOL PROGRAMS

HEAD WELCOMES YOU!

Our whole education board wholeheartedly welcomes both parents and their children to the Happy Learning Elementary School website. We fully appreciate that choosing a school for your family is a complex and important decision and we're hoping that the information you find on the web site will inspire you to visit the school for a look around and meet our teachers!

## NEW SCHOOL PREMISES!

Currently Our Elementary School is at a pivotal moment in its history. In December 2012, current and former trustees generously funded the purchase of the townhouse at 126 East 78th Street.

These new facilities will support a robust educational learning foundation for Kindergarten through Fourth Grade. Despite the hopes of some to extend the School through high school, it will not be used for this purpose, and enrollment will remain just over 400. When the entire project is completed, we will have four on-campus spaces dedicated to physical education and athletics!
